ABOUT ME

Aspiring Software Developer with a keen interest in web development and Java technologies. Currently enhancing technical expertise while maintaining strong communication and collaboration skills. Highly motivated to grow in the field of emerging technologies and contribute effectively to team-oriented environments.

EDUCATION

2023-2027	Sri Manakula Vinayagar Engineering College Puducherry B.Tech - Information Technology 8.54 CGPA
2021-2022	Sri Sankara Vidhyalaya Higher Secondary School Puducherry HSC - 12th Grade 88.33%

INTERNSHIP

Summer Internship at Hattussa IT Solutions NOV 2024 - DEC 2024

Contributed to the application by reviewing and filling in missing information such as module descriptions, images, and usage instructions for location-based features. Helped structure the rules and “how-to-play” sections, ensuring content accuracy and improving overall app usability.

PROJECT

AUTOMATED STUDENT DATA EXTRACTION FROM MARKSHEET IMAGES AND PDFs USING OCR

Developed an OCR-powered web application to automatically extract student details and subject-wise marks from 12th Board, semester, and NPTEL marksheets, converting them into structured Excel reports. Implemented image preprocessing techniques (deskewing, thresholding) and multi-resolution OCR for high accuracy, along with regex-based dynamic subject extraction to handle diverse marksheet formats. Built a Flask API for file upload, JSON preview, and Excel download. Processed 100 documents, reducing manual data entry from hours to seconds, achieving 95%+ accuracy on Tamil Nadu Board marksheets, and enabling automated data pipelines for academic analysis and career guidance.

TECHNICAL SKILLS

- java programming
- python programming
- Sql
- Html, Css and javascript

CERTIFICATIONS

- GenAI Powered Data Analytics Job Simulation - TATA | Aug 2025
- CCNA: Switching, Routing and wireless Essentials
- NPTEL-Python for Data Science

LANGUAGES KNOWN

- Tamil
- English (Proficient)
- Hindi
- German (Basics)
